### LED Strip 4014 120 SMD/m

Image not found or type unknown

Power  
12W/m

Light color

● Luce fredda

## Technical Specification

|  |                  |                 |               |
|--|------------------|-----------------|---------------|
| Beam angle                               | 120°             | Input voltage   | DC: 12V       |
| Brand                                    | Optonica         | Life span       | 25000h        |
| Color Code                               | 860              | Instant On      | 0.1 s         |
| Color Designation                        | White Light (WH) | Temperature     | -20°C/ +40°C  |
| Correlated Color Temperature             | 6000K            | IP              | IP20          |
| Dimmable                                 | No               | Size of package | 155x190 mm    |
| Lumen maintenance at end of service life | 70%              | Flux            | 1000 lm/m     |
| Operating Frequency                      | 50-60Hz          | Product Code    | ST40-A1       |
| Warranty                                 | 2 Years          | EAN Code        | 3800156649040 |
| Energy Efficiency Label                  | F                | LED Type        | 4014          |
| Energy Consumption                       | 12 kWh/1000h     | LED QTY         | 120 SMD/m     |
| Weight of Product                        | 65 gr.           | Power           | 12W/m         |
| On/Off Cycles                            | 100 000x         | Size of product | 8x2 mm        |
| Material                                 | Flex PCB         | Light Color     | Luce fredda   |
