

LED Бял Тънък Мебелен Осветител + PIR Сензор

Power

1.5 W

Light color

Топла  
светлина

Technical Specification

|                                          |              |
|------------------------------------------|--------------|
| Beam angle                               | 120°         |
| Brand                                    | Optonica     |
| Dimmable                                 | No           |
| IP                                       | 20           |
| Items per pack                           | 1            |
| Life span                                | 25 000 Hours |
| Lumen maintenance at end of service life | 70%          |
| On/Off Cycles                            | 25 000x      |
| Warranty                                 | 2 Years      |
| Correlated Color Temperature             | 3000K        |
| Items per box                            | 100          |
| Material                                 | Aluminium    |
| Color Of The Shell                       | White        |

|                     |                |
|---------------------|----------------|
| Input voltage       | DC 5V          |
| Flux                | 100 lm         |
| Instant On          | 0.1 s          |
| Temperature         | -20°C/ +40°C   |
| Operating Frequency | 50-60 Hz       |
| Product Code        | C1-A1          |
| Power               | 1.5 W          |
| Battery             | 3.7V 900mAh    |
| Size of Box         | 490x450x155 mm |
| Size of package     | 240x42x25 mm   |
| Size of product     | 240x40x10 mm   |
| EAN Code            | 3800156602410  |
| Light Color         | Топла светлина |
