### LED Bulb GU10 50° COB Dimmable

Image not found or type unknown

Power

6W

Light color

Warmweiß

## Technical Specification

|                                          |                   |
|------------------------------------------|-------------------|
| Brand                                    | Optonica          |
| Input voltage                            | AC220-240V        |
| IP                                       | 20                |
| Items per pack                           | 1                 |
| Life span                                | 25 000 Hours      |
| Lumen maintenance at end of service life | 70%               |
| On/Off Cycles                            | 25 000x           |
| Operating Frequency                      | 50-60Hz           |
| Temperature                              | -30°C / +50°C     |
| Energy Efficiency Label                  | F                 |
| Instant On                               | 0.1s              |
| Items per box                            | 100               |
| Material                                 | Plastic+Aluminium |
| Power Factor                             | 0.5               |
| Warranty                                 | 5 Years           |
| Color Designation                        | Warm White (WW)   |

|                    |                |
|--------------------|----------------|
| Beam angle         | 50°            |
| Dimmable           | Yes            |
| FLUX per watt      | 80lm/W         |
| Socket             | GU10           |
| Wattage Equivalent | 35W            |
| Color Code         | 827            |
| Product Code       | SP6-A5         |
| Flux               | 480 lm         |
| Power              | 6W             |
| Weight of Product  | 50 gr.         |
| Body Color         | White          |
| Energy Consumption | 6 kWh/m /1000h |
| Size of Box        | 270x270x280 mm |
| Size of package    | 70x55x55 mm    |
| Size of product    | φ50x55 mm      |
| EAN Code           | 3800156619654  |
