

# OPTONICA

## DATASHEET

### LED Bulb A60 8W Filament

Power

8W

Light color

Kaltweiß

### Technical Specification

|                                          |                  |
|------------------------------------------|------------------|
| Brand                                    | Optonica         |
| Color Code                               | 860              |
| Color Designation                        | White Light (WH) |
| Correlated Color Temperature             | 6000K            |
| Dimmable                                 | No               |
| Input voltage                            | AC220-240V       |
| Items per pack                           | 1                |
| Lumen maintenance at end of service life | 70%              |
| On/Off Cycles                            | 25 000x          |
| Ra ≥                                     | 80               |
| Temperature                              | -30°C / +50°C    |
| Warranty                                 | 2 Years          |
| Energy Efficiency Label                  | F                |
| Items per box                            | 100              |
| Socket                                   | E27              |
| Material                                 | Plastic          |

|                    |               |
|--------------------|---------------|
| Beam angle         | 300°          |
| Flux               | 810 lm        |
| FLUX per watt      | 101 lm/W      |
| Energy Consumption | 8 kWh/1000h   |
| Power              | 8W            |
| Wattage Equivalent | 54W           |
| Life span          | 25000h        |
| Instant On         | 0.1 s         |
| IP                 | IP20          |
| Frequency          | 50-60 Hz      |
| EAN Code           | 3800156613102 |
| Product Code       | SP8-A5        |
| Size of package    | 61x122 mm     |
| Size of product    | Ø60x105 mm    |
| Weight of Product  | 46 gr.        |
| Light Color        | Kaltweiß      |
