

### LED Ceiling Light

Power

12W

Light color

Warmweiß

### Technical Specification

|                                          |                 |
|------------------------------------------|-----------------|
| Beam angle                               | 120°            |
| Brand                                    | Optonica        |
| Dimmable                                 | No              |
| Items per pack                           | 1               |
| Lumen maintenance at end of service life | 70%             |
| On/Off Cycles                            | 25 000x         |
| Operating Frequency                      | 50-60Hz         |
| Ra ≥                                     | 80              |
| Temperature                              | -30°C / +50°C   |
| Warranty                                 | 2 Years         |
| Correlated Color Temperature             | 3000K           |
| Energy Efficiency Label                  | F               |
| Input voltage                            | AC175-265V      |
| Color Code                               | 828             |
| Color Designation                        | Warm White (WW) |

|                    |                |
|--------------------|----------------|
| Energy Consumption | 12 kWh/1000h   |
| Power              | 12W            |
| Items per box      | 20             |
| Weight of Product  | 440 gr.        |
| Life span          | 25000h         |
| Flux               | 880 lm         |
| Instant On         | 0.1 s          |
| IP                 | IP20           |
| Product Code       | DL12-B1        |
| FLUX per watt      | 73 Lm/W        |
| Size of Box        | 510x510x780 mm |
| Size of package    | 265x66x265 mm  |
| Size of product    | Φ230x65 mm     |
| EAN Code           | 3800156628427  |
| Light Color        | Warmweiß       |
