

### LED Mini Panel Round True Colour Line

Power

12W

Light color

Kaltweiß

### Technical Specification

|                                          |                  |                    |                |
|------------------------------------------|------------------|--------------------|----------------|
| Beam angle                               | 120°             | Body Color         | White          |
| Brand                                    | Optonica         | Life span          | 25000h         |
| Color Designation                        | White Light (WH) | Wattage Equivalent | 67W            |
| Correlated Color Temperature             | 6000K            | Flux               | 1000 lm        |
| Dimmable                                 | No               | Instant On         | 0.1 s          |
| Items per box                            | 40               | Temperature        | -20°C/ +40°C   |
| Items per pack                           | 1                | IP                 | IP20           |
| Lumen maintenance at end of service life | 70%              | Material           | Plastic+ALU    |
| On/Off Cycles                            | 25 000x          | Color Code         | 960            |
| Operating Frequency                      | 50-60Hz          | Ra ≥               | 95             |
| Warranty                                 | 2 Years          | Product Code       | DL12-B3        |
| Energy Efficiency Label                  | F                | EAN Code           | 3800156626041  |
| Energy Consumption                       | 12 kWh/1000h     | Size of Box        | 475x365x375 mm |
| Power                                    | 12W              | Size of package    | 180x35x230 mm  |
| FLUX per watt                            | 84 lm/W          | Size of product    | Φ170x13 mm     |
| Input voltage                            | AC85-265V        | Hole Size          | φ150 mm        |
| Weight of Product                        | 300 gr.          | Light Color        | Kaltweiß       |
