LED Solarspot mit Erdspieß 3,7V 4,8Ah

Power

2 W

Light color

Warmweiß

Technical Specification

|                                          |              |
|------------------------------------------|--------------|
| Beam angle                               | 120°         |
| Brand                                    | Optonica     |
| Dimmable                                 | No           |
| Items per pack                           | 1            |
| Life span                                | 25 000 Hours |
| Lumen maintenance at end of service life | 70%          |
| On/Off Cycles                            | 25 000x      |
| Ra ≥                                     | 80           |
| Warranty                                 | 2 Years      |
| Correlated Color Temperature             | 3000K        |
| IP                                       | 65           |
| Items per box                            | 20           |
| FLUX per watt                            | 80 lm/W      |
| Material                                 | PC           |

|                     |                               |
|---------------------|-------------------------------|
| Instant On          | 0.1 s                         |
| Temperature         | -20°C/ +40°C                  |
| Operating Frequency | 50-60 Hz                      |
| Product Code        | GD3-A4                        |
| Input voltage       | 3.7 V                         |
| EAN Code            | 3800156693531                 |
| Flux                | 160 lm                        |
| Power               | 2 W                           |
| Size of Box         | 370x280x420 mm                |
| Size of package     | 200x130x70 mm                 |
| Size of product     | 102x169x313 mm                |
| Working time        | 12 Hours / Charging 5-6 Hours |
| Light Color         | Warmweiß                      |
