

### LED COB Streifen 48V 6W - 20m Rolle

#### Light color

## Technical Specification

|                                          |          |                 |               |
|------------------------------------------|----------|-----------------|---------------|
| Beam angle                               | 120°     | Flux            | 630 lm        |
| Brand                                    | Optonica | Instant On      | 0.1 s         |
| IP                                       | 20       | Temperature     | -20°C/ +40°C  |
| Lumen maintenance at end of service life | 70%      | Material        | Flex PCB      |
| On/Off Cycles                            | 25 000x  | Input voltage   | DC: 48V       |
| Ra ≥                                     | 80       | Product Code    | ST48-A1       |
| Warranty                                 | 2 Years  | FLUX per watt   | 105           |
| Correlated Color Temperature             | 4500K    | LEDs/m          | 504           |
| Dimmable                                 | Yes      | Size of product | 10x25000mm    |
| Energy Efficiency Label                  | E        | EAN Code        | 3800156649354 |
| LED Type                                 | COB      | Light Color     | Neutralweiß   |
