

LED Panel 60x60 120lm/W

Power

40W

Light color

Neutralweiß

Technical Specification

|                                          |                    |
|------------------------------------------|--------------------|
| Beam angle                               | 120°               |
| Brand                                    | Optonica           |
| Dimmable                                 | No                 |
| Energy Efficiency Label                  | D                  |
| IP                                       | 20                 |
| Items per pack                           | 1                  |
| Life span                                | 25 000 Hours       |
| Lumen maintenance at end of service life | 70%                |
| On/Off Cycles                            | 25 000x            |
| Operating Frequency                      | 50-60Hz            |
| Ra ≥                                     | 80                 |
| Temperature                              | -30°C / +50°C      |
| Input voltage                            | AC175-265V         |
| Warranty                                 | 5 Years            |
| Color Code                               | 845                |
| Color Designation                        | Neutral White (NW) |

|                    |                |
|--------------------|----------------|
| Instant On         | 0.2s           |
| Material           | Aluminium      |
| FLUX per watt      | 120lm/W        |
| Power Factor       | 0.9            |
| Energy Consumption | 40 kWh/1000h   |
| Power              | 40W            |
| Size of product    | 595x595x9 mm   |
| Product Code       | DL40-A1        |
| Flux               | 4800 lm        |
| Items per box      | 6              |
| Size of Box        | 635x205x640 mm |
| Size of package    | 610x620x30 mm  |
| UGR                | <19            |
| Wattage Equivalent | 320W           |
| Weight of Product  | 2.600 kg.      |
| EAN Code           | 3800156627277  |
