

### LED Strip 2835 Waterproof Proffesional Edition

Light color

Rot

## Technical Specification

|                                          |               |
|------------------------------------------|---------------|
| Beam angle                               | 120°          |
| Brand                                    | Optonica      |
| Life span                                | 25 000 Hours  |
| Lumen maintenance at end of service life | 70%           |
| On/Off Cycles                            | 25 000x       |
| Operating Frequency                      | 50-60Hz       |
| Ra ≥                                     | 80            |
| Temperature                              | -30°C / +50°C |
| Warranty                                 | 2 Years       |
| Power Factor                             | 0.5           |
| Instant On                               | 0.2s          |
| Dimmable                                 | Yes           |
| Energy Efficiency Label                  | G             |
| LED Type                                 | SMD           |

|                    |                 |
|--------------------|-----------------|
| Energy Consumption | 4.8/m kWh/1000h |
| Input voltage      | 12V             |
| LEDs/m             | 60              |
| Material           | Flex PCB        |
| Power per meter    | 4.8W/m          |
| Roll               | 5m              |
| Color Designation  | Red             |
| Product Code       | ST2835-A2       |
| IP                 | 54              |
| Weight of Product  | 155 gr.         |
| EAN Code           | 3800156647343   |
| Flux               | 300 lm/m        |
| Light Color        | Rot             |
