

LED Strip 5050 24v Waterproof Proffesional Edition

Light color

Neutralweiß

Technical Specification			
Beam angle		120°	Energy Efficiency Label
Brand		Optonica	
Life span		25 000 Hours	LED Type
Lumen maintenance at end of service life		70%	LEDs/m
On/Off Cycles		25 000x	Material
Operating Frequency		50-60Hz	Roll
Ra ≥		80	IP
Temperature		-30°C / +50°C	Energy Consumption
Warranty		2 Years	Power per meter
Power Factor		0.5	Input voltage
Color Code		845	Product Code
Color Designation		Neutral White (NW)	Weight of Product
Correlated Color Temperature		4500K	EAN Code
Instant On		0.2s	Flux
Dimmable		Yes	Light Color
