Technical Specification

|                                          |                   |
|------------------------------------------|-------------------|
| Brand                                    | Optonica          |
| Input voltage                            | AC220-240V        |
| Items per pack                           | 1                 |
| Life span                                | 25 000 Hours      |
| Lumen maintenance at end of service life | 70%               |
| On/Off Cycles                            | 25 000x           |
| Operating Frequency                      | 50-60Hz           |
| Ra ≥                                     | 80                |
| Temperature                              | -30°C / +50°C     |
| Warranty                                 | 2 Years           |
| Material                                 | Plastic+Aluminium |
| Instant On                               | 0.2s              |
| Energy Consumption                       | 4 kWh/1000h       |
| Power                                    | 4W                |

|                         |                     |
