

### LED Magnetic Floodlight M20 Track

Power

10W

Light color

Neutralweiß

## Technical Specification

|                                          |                    |                     |                |
|------------------------------------------|--------------------|---------------------|----------------|
| Beam angle                               | 120°               | Flux                | 800 lm         |
| Brand                                    | Optonica           | Wattage Equivalent  | 60W            |
| Dimmable                                 | No                 | Life span           | 25000h         |
| Energy Consumption                       | 10 kWh/1000h       | Instant On          | 0.1 s          |
| Items per pack                           | 1                  | Temperature         | -20°C/ +40°C   |
| Lumen maintenance at end of service life | 70%                | IP                  | IP20           |
| Power                                    | 10W                | Material            | PC+ALU         |
| Ra ≥                                     | 80                 | Operating Frequency | 50 Hz          |
| Warranty                                 | 2 Years            | Size of Box         | 405x335x225 mm |
| Color Code                               | 840                | Size of package     | 320x73x38 mm   |
| Correlated Color Temperature             | 4000K              | Product Code        | LN10-A4        |
| Energy Efficiency Label                  | F                  | Input voltage       | DC: 48V        |
| Power LED                                | 10W                | EAN Code            | 3800156654167  |
| Color Designation                        | Neutral White (NW) | Items per box       | 56             |
| FLUX per watt                            | 80lm/W             | Size of product     | 300x22x25 mm   |
| On/Off Cycles                            | 100 000x           | Light Color         | Neutralweiß    |

**Weight of Product**

380 gr.
