

# OPTONICA

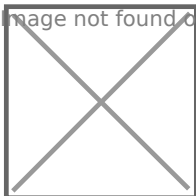

## DATASHEET

Image not found or type unknown

### LED SMD Floodlight PF>0.9

Image not found or type unknown

Power  
200W

Light color  
White light

## Technical Specification

|                                          |                  |
|------------------------------------------|------------------|
| Brand                                    | Optonica         |
| Color Code                               | 860              |
| Color Designation                        | White Light (WH) |
| Correlated Color Temperature             | 6000K            |
| Dimmable                                 | No               |
| Items per pack                           | 1                |
| Lumen maintenance at end of service life | 70%              |
| On/Off Cycles                            | 25 000x          |
| Ra ≥                                     | 80               |
| Warranty                                 | 2 Years          |
| Energy Efficiency Label                  | F                |
| Material                                 | Aluminium        |
| FLUX per watt                            | 85 lm/W          |
| LED Type                                 | SMD              |
| Power Factor                             | 0.9              |

|                     |               |
|---------------------|---------------|
| Power               | 200W          |
| Power LED           | 200W          |
| Life span           | 25000h        |
| IP                  | IP65          |
| Instant On          | 0.1 s         |
| Temperature         | -20°C/ +40°C  |
| Cable               | 1 m           |
| Product Code        | FL200-A7      |
| Beam angle          | 120°          |
| Input voltage       | AC110-130V    |
| Operating Frequency | 50Hz          |
| EAN Code            | 3800156653085 |
| Flux                | 17000lm       |
| Wattage Equivalent  | 878W          |
| Light Color         | White light   |
