

### LED Street Light PF>0.9

Power

100W

Light color

Warmweiß

### Technical Specification

|                                          |               |                    |                                                |
|------------------------------------------|---------------|--------------------|------------------------------------------------|
| Brand                                    | Optonica      | Input voltage      | AC: 220-240V                                   |
| Dimmable                                 | No            | Material           | ALU+Glass                                      |
| Items per pack                           | 1             | Temperature        | -20C/ +40°C                                    |
| Lumen maintenance at end of service life | 70%           | Cable              | 30cm, 3x0.75mm <sup>2</sup> black rubber cable |
| Operating Frequency                      | 50-60Hz       | Chip               | LUMILEDS 2835                                  |
| Energy Efficiency Label                  | F             | Color Designation  | Warm White Light (WW)                          |
| Correlated Color Temperature             | 2700K         | Glass              | Lens                                           |
| Items per box                            | 5             | Wattage Equivalent | 527W                                           |
| FLUX per watt                            | 100lm/W       | Beam angle         | 75x135°                                        |
| IP                                       | 65            | Power Factor       | PF>0.9                                         |
| Warranty                                 | 3 Years       | Color Code         | 727                                            |
| Energy Consumption                       | 100 kWh/1000h | Product Code       | SL100-A9                                       |
| Power                                    | 100W          | Size of Box        | 610x530x210 mm                                 |
| Ra ≥                                     | 70            | Size of package    | 580x190x100 mm                                 |
| On/Off Cycles                            | 35 000x       | Size of product    | 564x189x88 mm                                  |
| Flux                                     | 10000 lm      | EAN Code           | 3800156692091                                  |

|                           |              |
|---------------------------|--------------|
| <b>Life span</b>          | 50 000 Hours |
| <b>Color Of The Shell</b> | Grey         |
| <b>Instant On</b>         | 0.1 s        |

|                          |          |
|--------------------------|----------|
| <b>Weight of Product</b> | 1.665 kg |
| <b>Light Color</b>       | Warmweiß |
