

### LED Street Light PF>0.9

Power

150W

Light color

Warmweiß

## Technical Specification

|                                          |               |                    |                                                |
|------------------------------------------|---------------|--------------------|------------------------------------------------|
| Brand                                    | Optonica      | Input voltage      | AC: 220-240V                                   |
| Dimmable                                 | No            | Material           | ALU+Glass                                      |
| Items per pack                           | 1             | Temperature        | -20C/ +40°C                                    |
| Lumen maintenance at end of service life | 70%           | Cable              | 30cm, 3x0.75mm <sup>2</sup> black rubber cable |
| Operating Frequency                      | 50-60Hz       | Chip               | LUMILEDS 2835                                  |
| Energy Efficiency Label                  | F             | Color Designation  | Warm White Light (WW)                          |
| Correlated Color Temperature             | 2700K         | Glass              | Lens                                           |
| FLUX per watt                            | 100lm/W       | Wattage Equivalent | 777W                                           |
| IP                                       | 65            | Beam angle         | 75x135°                                        |
| Warranty                                 | 3 Years       | Power Factor       | PF>0.9                                         |
| Energy Consumption                       | 150 kWh/1000h | Color Code         | 727                                            |
| Power                                    | 150W          | Product Code       | SL150-A9                                       |
| Ra ≥                                     | 70            | Size of Box        | 700x470x230 mm                                 |
| On/Off Cycles                            | 35 000x       | Size of package    | 660x220x105 mm                                 |
| Life span                                | 50 000 Hours  | Size of product    | 638x210x97 mm                                  |
| Items per box                            | 4             | EAN Code           | 3800156692121                                  |

|                           |          |
|---------------------------|----------|
| <b>Flux</b>               | 15000 lm |
| <b>Color Of The Shell</b> | Grey     |
| <b>Instant On</b>         | 0.1 s    |

|                          |           |
|--------------------------|-----------|
| <b>Weight of Product</b> | 2.470 kg. |
| <b>Light Color</b>       | Warmweiß  |
