### LED Street Light 150lm/W Surge Protection

Image not found or type unknown

**Power**  
60W

**Light color**  
Lumière  
blanche

## Technical Specification

|                                          |                  |
|------------------------------------------|------------------|
| Beam angle                               | 120°             |
| Brand                                    | Optonica         |
| Color Designation                        | White Light (WH) |
| Dimmable                                 | No               |
| Energy Efficiency Label                  | D                |
| Items per pack                           | 1                |
| Lumen maintenance at end of service life | 70%              |
| Operating Frequency                      | 50-60Hz          |
| Temperature                              | -30°C / +50°C    |
| Instant On                               | 0.1s             |
| Warranty                                 | 5 Years          |
| Material                                 | Aluminium        |
| Power Factor                             | 0.95             |
| Energy Consumption                       | 60 kWh/1000h     |
| Power                                    | 60W              |
| Ra ≥                                     | 70               |

|                              |                 |
|------------------------------|-----------------|
| Color Code                   | 857             |
| Correlated Color Temperature | 5700K           |
| On/Off Cycles                | 35 000x         |
| Items per box                | 12              |
| Input voltage                | AC100-240V      |
| Life span                    | 50 000 Hours    |
| IP                           | 66              |
| FLUX per watt                | 135lm/W         |
| Size of package              | 535x195x160 mm  |
| Size of product              | 494x155x76 mm   |
| Weight of Product            | 3.400kg.        |
| EAN Code                     | 3800156691582   |
| Flux                         | 8100lm          |
| IK                           | 10              |
| Product Code                 | SL30-A2         |
| Light Color                  | Lumière blanche |
