

Tira De LED 5054 No Resistente Al Agua 3 Años De Garantía

Technical Specification

|                                          |               |
|------------------------------------------|---------------|
| Beam angle                               | 120°          |
| Brand                                    | Optonica      |
| IP                                       | 20            |
| Life span                                | 25 000 Hours  |
| Lumen maintenance at end of service life | 70%           |
| On/Off Cycles                            | 25 000x       |
| Temperature                              | -30°C / +50°C |
| Energy Efficiency Label                  | F             |
| Instant On                               | 0.1s          |
| Dimmable                                 | Yes           |
| LED Type                                 | SMD           |
| Power Factor                             | 0.95          |

|                    |                 |
|--------------------|-----------------|
| Warranty           | 3 Years         |
| Input voltage      | 12V             |
| Material           | Flex PCB        |
| Color Designation  | RGBW            |
| Size of product    | 12x2 mm         |
| EAN Code           | 3800156644854   |
| Energy Consumption | 16 kWh/m /1000h |
| Product Code       | ST5050-A7       |
| Weight of Product  | 146gr./roll     |
| Flux               | 1600 LM/M       |
| Light Color        | RGB             |
