

### LED SMD Proyector Blanco City Line

Power

30W

Light color

Luz blanca

### Technical Specification

|                                          |                  |                    |               |
|------------------------------------------|------------------|--------------------|---------------|
| Beam angle                               | 120°             | Flux               | 2400 lm       |
| Brand                                    | Optonica         | On/Off Cycles      | 100 000x      |
| Color Code                               | 860              | Weight of Product  | 490 gr.       |
| Color Designation                        | White Light (WH) | FLUX per watt      | 80 lm/W       |
| Correlated Color Temperature             | 6000K            | Energy Consumption | 30 kWh/1000h  |
| Items per pack                           | 1                | Power              | 30W           |
| Lumen maintenance at end of service life | 70%              | Life span          | 25000h        |
| Operating Frequency                      | 50-60Hz          | IP                 | IP65          |
| Ra ≥                                     | 80               | Instant On         | 0.1 s         |
| Warranty                                 | 2 Years          | Temperature        | -20°C/ +40°C  |
| Energy Efficiency Label                  | F                | Size of package    | 148x135x30 mm |
| Input voltage                            | AC220-265V       | Product Code       | FL30-B1       |
| Material                                 | Aluminium        | EAN Code           | 3800156659063 |
| Items per box                            | 30               | Size of product    | 192x172x30 mm |
| Wattage Equivalent                       | 160W             | Light Color        | Luz blanca    |
