

# OPTONICA

## DATASHEET

### LED SMD Floodlight Black City Line

Power

30W

Light color

Lumière  
chaude

### Technical Specification

|                                          |                 |
|------------------------------------------|-----------------|
| Beam angle                               | 120°            |
| Brand                                    | Optonica        |
| Items per pack                           | 1               |
| Lumen maintenance at end of service life | 70%             |
| Operating Frequency                      | 50-60Hz         |
| Ra ≥                                     | 80              |
| Warranty                                 | 2 Years         |
| Energy Efficiency Label                  | F               |
| Color Designation                        | Warm White (WW) |
| Correlated Color Temperature             | 2700K           |
| Input voltage                            | AC220-265V      |
| Items per box                            | 30              |
| Wattage Equivalent                       | 160W            |
| Flux                                     | 2400 lm         |
| IP                                       | 65              |

|                    |                |
|--------------------|----------------|
| On/Off Cycles      | 100 000x       |
| Weight of Product  | 490 gr.        |
| FLUX per watt      | 80 lm/W        |
| Energy Consumption | 30 kWh/1000h   |
| Power              | 30W            |
| Life span          | 25000h         |
| Material           | Aluminium      |
| Instant On         | 0.1 s          |
| Product Code       | FL30-B1        |
| Size of package    | 222x188x31 mm  |
| Temperature        | -20°C/ +50°C   |
| Color Code         | 826            |
| EAN Code           | 3800156659230  |
| Size of product    | 148X30X135 mm  |
| Light Color        | Lumière chaude |
