

### LED SMD Floodlight White City Line With PIR Sensor

Power

30W

Light color

Lumière  
blanche

#### Technical Specification

|                                          |                  |                    |                 |
|------------------------------------------|------------------|--------------------|-----------------|
| Beam angle                               | 120°             | On/Off Cycles      | 100 000x        |
| Brand                                    | Optonica         | FLUX per watt      | 80 lm/W         |
| Color Code                               | 860              | Energy Consumption | 30 kWh/1000h    |
| Color Designation                        | White Light (WH) | Power              | 30W             |
| Correlated Color Temperature             | 6000K            | Life span          | 25000h          |
| Items per pack                           | 1                | Material           | Aluminium       |
| Lumen maintenance at end of service life | 70%              | IP                 | IP65            |
| Operating Frequency                      | 50-60Hz          | Instant On         | 0.1 s           |
| Ra ≥                                     | 80               | Temperature        | -20°C/ +50°C    |
| Warranty                                 | 2 Years          | Product Code       | FL30-B2         |
| Energy Efficiency Label                  | F                | EAN Code           | 3800156659360   |
| Input voltage                            | AC220-265V       | Size of package    | 192x40x213 mm   |
| LED Type                                 | SMD              | Size of product    | 187x215x45 mm   |
| Wattage Equivalent                       | 160W             | Weight of Product  | 551 gr.         |
| Flux                                     | 2400 lm          | Light Color        | Lumière blanche |
| Items per box                            | 20               |                    |                 |
