

### LED Mini Panel Square True Colour Line

Power

18W

Light color

Lumière  
chaude

### Technical Specification

|                                          |                 |                   |                |
|------------------------------------------|-----------------|-------------------|----------------|
| Beam angle                               | 120°            | Items per box     | 30             |
| Brand                                    | Optonica        | Body Color        | White          |
| Dimmable                                 | No              | Life span         | 25000h         |
| Items per pack                           | 1               | Weight of Product | 513 gr.        |
| Lumen maintenance at end of service life | 70%             | Instant On        | 0.1 s          |
| On/Off Cycles                            | 25 000x         | Temperature       | -20°C/ +40°C   |
| Operating Frequency                      | 50-60Hz         | IP                | IP20           |
| Warranty                                 | 2 Years         | Material          | Plastic+ALU    |
| Energy Efficiency Label                  | F               | Ra ≥              | 95             |
| Color Designation                        | Warm White (WW) | Color Code        | 927            |
| Correlated Color Temperature             | 2700K           | Product Code      | DL18-B3        |
| FLUX per watt                            | 84 lm/W         | Size of Box       | 545x290x470 mm |
| Flux                                     | 1500 lm         | Size of package   | 228x35x275 mm  |
| Wattage Equivalent                       | 100W            | Size of product   | 225x225x13 mm  |
| Energy Consumption                       | 18 kWh/1000h    | EAN Code          | 3800156626324  |
| Power                                    | 18W             | Hole Size         | 200x200 mm     |
| Input voltage                            | AC85-265V       | Light Color       | Lumière chaude |
