

### LED Magnetic Focusing Spotlight M35

Power

7W

Light color

Lumière  
chaude

## Technical Specification

|                                          |                 |                     |                |
|------------------------------------------|-----------------|---------------------|----------------|
| Brand                                    | Optonica        | Life span           | 25000h         |
| Dimmable                                 | No              | Weight of Product   | 470 gr.        |
| Items per pack                           | 1               | Instant On          | 0.1 s          |
| Lumen maintenance at end of service life | 70%             | Temperature         | -20°C/ +40°C   |
| Warranty                                 | 2 Years         | IP                  | IP20           |
| Color Code                               | 830             | Input voltage       | DC48V          |
| Correlated Color Temperature             | 3000K           | Material            | PC+ALU         |
| Energy Efficiency Label                  | F               | Operating Frequency | 50 Hz          |
| Color Designation                        | Warm White (WW) | Product Code        | LN7-A4         |
| FLUX per watt                            | 80lm/W          | Beam angle          | 15-60°         |
| Energy Consumption                       | 7 kWh/1000h     | EAN Code            | 3800156653498  |
| Power                                    | 7W              | Flux                | 560            |
| Power LED                                | 7W              | Size of Box         | 350x220x335 mm |
| Items per box                            | 30              | Size of package     | 65x65x315 mm   |
| On/Off Cycles                            | 100 000x        | Size of product     | φ60x200 mm     |
| Ra ≥                                     | 90              | Light Color         | Lumière chaude |
