

### LED Wall Light Epistar 2x6W White Body Rotatable

Power

12W

Light color

Lumière neutre

## Technical Specification

|                                          |                    |                         |                   |
|------------------------------------------|--------------------|-------------------------|-------------------|
| Beam angle                               | 120°               | Power                   | 12W               |
| Brand                                    | Optonica           | Material                | Aluminium         |
| Dimmable                                 | No                 | Energy Efficiency Label | E                 |
| Input voltage                            | AC220-240V         | Flux                    | 1320 lm           |
| Items per pack                           | 1                  | Items per box           | 20                |
| Life span                                | 25 000 Hours       | IP                      | 54                |
| Lumen maintenance at end of service life | 70%                | FLUX per watt           | 110lm/W           |
| On/Off Cycles                            | 25 000x            | Body Color              | White             |
| Operating Frequency                      | 50-60Hz            | Color Of The Shell      | White             |
| Ra ≥                                     | 80                 | Wattage Equivalent      | 88W               |
| Temperature                              | -30°C / +50°C      | Mount Type              | Wall Installation |
| Warranty                                 | 2 Years            | Product Code            | WL12-A2           |
| Color Code                               | 840                | Size of package         | 245x105x65 mm     |
| Correlated Color Temperature             | 4000K              | Size of product         | 221x96x54 mm      |
| Instant On                               | 0.1s               | Weight of Product       | 1.052 kg.         |
| Power Factor                             | 0.5                | EAN Code                | 3800156674844     |
| Color Designation                        | Neutral White (NW) | Light Color             | Lumière neutre    |
| Energy Consumption                       | 12 kWh/1000h       |                         |                   |
