

### LED WATERPROOF LIGHT FIXTURE IP65 WITH SENSOR

Power

40W

Light color

Lumière  
blanche

## Technical Specification

|                                          |                  |                   |                 |
|------------------------------------------|------------------|-------------------|-----------------|
| Brand                                    | Optonica         | Power             | 40W             |
| Color Code                               | 860              | Items per box     | 12              |
| Color Designation                        | White Light (WH) | Flux              | 4000 lm         |
| Correlated Color Temperature             | 6000K            | Weight of Product | 1.300 kg.       |
| Input voltage                            | AC220-240V       | Life span         | 25000h          |
| Items per pack                           | 1                | IP                | IP65            |
| Lumen maintenance at end of service life | 70%              | Instant On        | 0.1 s           |
| On/Off Cycles                            | 25 000x          | Temperature       | -20°C/ +40°C    |
| Warranty                                 | 2 Years          | Material          | PC/ABS          |
| Energy Efficiency Label                  | F                | Size of product   | 1180x72x61 mm   |
| FLUX per watt                            | 100 lm/W         | Product Code      | OT40-A1         |
| Beam angle                               | 180°             | EAN Code          | 3800156667051   |
| Energy Consumption                       | 40 kWh/1000h     | Light Color       | Lumière blanche |
