### Technical Specification

|                                          |                 |                              |                |
|------------------------------------------|-----------------|------------------------------|----------------|
| Beam angle                               | 120°            | FLUX per watt                | 80lm/W         |
| Brand                                    | Optonica        | Material                     | Aluminium      |
| Dimmable                                 | No              | Correlated Color Temperature | 2800K          |
| IP                                       | 20              | Energy Consumption           | 18 kWh/1000h   |
| Items per pack                           | 1               | Power                        | 18W            |
| Life span                                | 25 000 Hours    | Power LED                    | 18W            |
| Lumen maintenance at end of service life | 70%             | Flux                         | 1440 lm        |
| On/Off Cycles                            | 25 000x         | Input voltage                | AC180-260V     |
| Operating Frequency                      | 50-60Hz         | Product Code                 | DL18-A1        |
| Ra ≥                                     | 80              | Items per box                | 20             |
| Temperature                              | -30°C / +50°C   | Size of Box                  | 470x470x240 mm |
| Warranty                                 | 2 Years         | Size of package              | 230x225x41 mm  |
| Energy Efficiency Label                  | F               | Wattage Equivalent           | 145W           |
| Power Factor                             | 0.5             | Weight of Product            | 510 gr.        |
| Color Code                               | 828             | Size of product              | Φ225x31 mm     |
| Color Designation                        | Warm White (WW) | EAN Code                     | 3800156622364  |
