### Ruban LED 2835 24V 120LED/m 9W/m RA80 20m/Roll

Power

9W/m

Light color

Lumière  
chaude

## Technical Specification

|                                          |              |
|------------------------------------------|--------------|
| Beam angle                               | 120°         |
| Brand                                    | Optonica     |
| IP                                       | 20           |
| Life span                                | 25 000 Hours |
| Lumen maintenance at end of service life | 70%          |
| On/Off Cycles                            | 25 000x      |
| Warranty                                 | 2 Years      |
| Color Designation                        | Warm White   |
| Correlated Color Temperature             | 3000K        |
| Dimmable                                 | Yes          |
| Energy Efficiency Label                  | E            |
| Energy Consumption                       | 9 kWh/1000h  |

|                     |                |
|---------------------|----------------|
| LED Type            | SMD            |
| Material            | Flex PCB       |
| Product Code        | ST2835-A3      |
| Instant On          | 0.1 s          |
| Flux                | 1000 lm/m      |
| Operating Frequency | 50-60 Hz       |
| Power               | 9W/m           |
| Input voltage       | DC 24V         |
| Size of product     | 8x2.5 mm       |
| Roll                | 20 m           |
| EAN Code            | 3800156648678  |
| Light Color         | Lumière chaude |
