

### LED Strip 5050 Non-Waterproof Professional Edition

Light color

Lumière  
blanche

### Technical Specification

|                                          |                  |
|------------------------------------------|------------------|
| Beam angle                               | 120°             |
| Brand                                    | Optonica         |
| Color Code                               | 860              |
| Color Designation                        | White Light (WH) |
| Correlated Color Temperature             | 6000K            |
| IP                                       | 20               |
| Life span                                | 25 000 Hours     |
| Lumen maintenance at end of service life | 70%              |
| On/Off Cycles                            | 25 000x          |
| Operating Frequency                      | 50-60Hz          |
| Ra ≥                                     | 80               |
| Temperature                              | -30°C / +50°C    |
| Warranty                                 | 2 Years          |
| Power Factor                             | 0.5              |
| Instant On                               | 0.2s             |

|                         |                 |
|-------------------------|-----------------|
| Dimmable                | Yes             |
| Energy Efficiency Label | G               |
| Weight of Product       | 80 gr.          |
| LED Type                | SMD             |
| Input voltage           | 12V             |
| Material                | Flex PCB        |
| Roll                    | 5m              |
| Product Code            | ST5050-A1       |
| EAN Code                | 3800156648012   |
| Energy Consumption      | 7.2/m kWh/1000h |
| LEDs/m                  | 30              |
| Power per meter         | 7.2W/m          |
| Flux                    | 500 lm/m        |
| Light Color             | Lumière blanche |
