

### LED S-Strip 2835 Bendable Waterproof

Light color

## Technical Specification

|                                          |                 |                    |                 |
|------------------------------------------|-----------------|--------------------|-----------------|
| Beam angle                               | 120°            | Weight of Product  | 100 gr.         |
| Brand                                    | Optonica        | FLUX per watt      | 100lm/W         |
| Life span                                | 25 000 Hours    | LED Type           | SMD             |
| Lumen maintenance at end of service life | 70%             | IP                 | 65              |
| On/Off Cycles                            | 25 000x         | Input voltage      | 12V             |
| Operating Frequency                      | 50-60Hz         | LEDs/m             | 60              |
| Ra ≥                                     | 80              | Material           | Flex PCB        |
| Temperature                              | -30°C / +50°C   | Roll               | 5m              |
| Warranty                                 | 2 Years         | Energy Consumption | 7.2/m kWh/1000h |
| Color Code                               | 830             | Power per meter    | 7.2W/m          |
| Correlated Color Temperature             | 3000K           | Product Code       | MO2835-A2       |
| Energy Efficiency Label                  | F               | Size of product    | 5000x6x2 mm     |
| Power Factor                             | 0.5             | Flux               | 720 Lm          |
| Color Designation                        | Warm White (WW) | EAN Code           | 3800156645523   |
| Instant On                               | 0.2s            | Light Color        | Lumière chaude  |
| Dimmable                                 | Yes             |                    |                 |
