

### LED Кръшка C35 B22 Candle Димируема

Power

6W

Light color

Топла  
светлина

## Technical Specification

|                                          |                 |                   |                |
|------------------------------------------|-----------------|-------------------|----------------|
| Brand                                    | Optonica        | Product Code      | SP6-A9         |
| Items per pack                           | 1               | Beam angle        | 180°           |
| Lumen maintenance at end of service life | 70%             | FLUX per watt     | 80 lm/W        |
| On/Off Cycles                            | 25 000x         | Body Color        | White          |
| Operating Frequency                      | 50-60Hz         | Input voltage     | AC170-240V     |
| Warranty                                 | 2 Years         | Socket            | B22            |
| Items per box                            | 100             | Life span         | 25000h         |
| Color Code                               | 828             | Instant On        | 0.1 s          |
| Color Designation                        | Warm White (WW) | Temperature       | -20°C/ +40°C   |
| Correlated Color Temperature             | 2700K           | IP                | IP20           |
| Dimmable                                 | Yes             | Material          | Plastic+ALU    |
| Energy Consumption                       | 6 kWh/1000h     | Size of product   | Ø 37x90 mm     |
| Flux                                     | 480 lm          | Weight of Product | 38 gr.         |
| Power                                    | 6W              | EAN Code          | 3800156619531  |
| Energy Efficiency Label                  | G               | Light Color       | Топла светлина |
