

### LED Magnetic Track Light 10W M20/M30

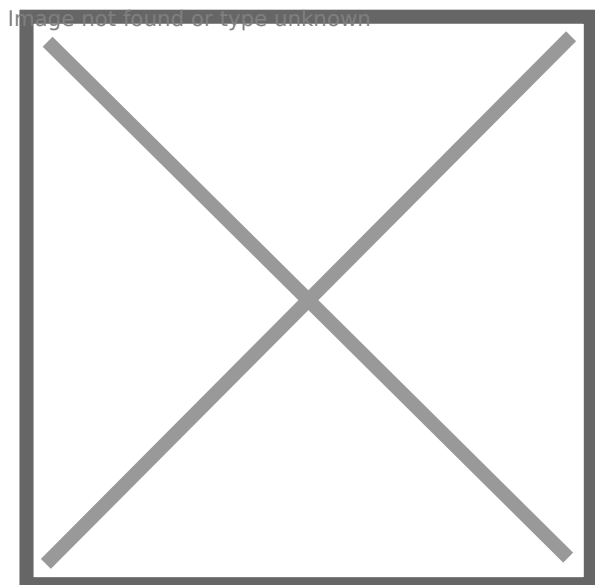

Power

10W

Light color

Luce naturale

### Technical Specification

|                                          |                    |                    |               |
|------------------------------------------|--------------------|--------------------|---------------|
| Brand                                    | Optonica           | FLUX per watt      | 80lm/W        |
| Dimmable                                 | No                 | Wattage Equivalent | 40W           |
| Energy Consumption                       | 10 kWh/1000h       | On/Off Cycles      | 100 000x      |
| Items per box                            | 40                 | Flux               | 800 lm        |
| Items per pack                           | 1                  | Life span          | 25000h        |
| Lumen maintenance at end of service life | 70%                | Instant On         | 0.1 s         |
| Operating Frequency                      | 50-60Hz            | Temperature        | -20°C/ +40°C  |
| Power                                    | 10W                | IP                 | IP20          |
| Ra ≥                                     | 80                 | Material           | ALU+PC        |
| Warranty                                 | 2 Years            | Input voltage      | 48V           |
| Color Code                               | 840                | Product Code       | LN10-A5       |
| Correlated Color Temperature             | 4000K              | Size of product    | φ85 mm        |
| Energy Efficiency Label                  | F                  | EAN Code           | 3800156653375 |
| Power LED                                | 10W                | Beam angle         | 50°           |
| Color Designation                        | Neutral White (NW) | Light Color        | Luce naturale |
