

### LED Display Module Outdoor Full Color P8

Light color

Nessuna

### Technical Specification

|                   |               |               |               |
|-------------------|---------------|---------------|---------------|
| Brand             | Optonica      | Module size   | 256x128 mm    |
| Warranty          | 2 Years       | Brightness    | 5500 cd/m2    |
| Beam angle        | 150°          | Drive mode    | 1/4 Scan      |
| Weight of Product | 200 gr.       | Module pixels | 32x16 Pixels  |
| IP                | 65            | Module Power  | 27W           |
| Body Color        | Black         | Pixel pitch   | 8 mm          |
| Input voltage     | DC 5V         | Product Code  | DS8-A2        |
| Pixel composition | SMD 3in1 RGB  | EAN Code      | 3800156606050 |
| Refresh rate      | 1920Hz        | Light Color   | Nessuna       |
| Temperature       | -20°C / +50°C |               |               |
