

### LED SMD Прожектор Бял City Line C PIR Сензор

Power

10W

Light color

Топла  
светлина

## Technical Specification

|                                          |                 |                    |                |
|------------------------------------------|-----------------|--------------------|----------------|
| Beam angle                               | 120°            | FLUX per watt      | 80 lm/W        |
| Brand                                    | Optonica        | Items per box      | 60             |
| Energy Consumption                       | 10 kWh/1000h    | Flux               | 800 lm         |
| Items per pack                           | 1               | Wattage Equivalent | 54W            |
| Lumen maintenance at end of service life | 70%             | Life span          | 25000h         |
| Operating Frequency                      | 50-60Hz         | Material           | Aluminium      |
| Power                                    | 10W             | IP                 | IP65           |
| Ra ≥                                     | 80              | Instant On         | 0.1 s          |
| Warranty                                 | 2 Years         | Temperature        | -20°C/ +50°C   |
| Energy Efficiency Label                  | F               | Product Code       | FL10-B2        |
| Color Code                               | 828             | EAN Code           | 3800156659322  |
| Color Designation                        | Warm White (WW) | Size of package    | 115x158x48 mm  |
| Correlated Color Temperature             | 2700K           | Size of product    | 100x108x24 mm  |
| Input voltage                            | AC220-265V      | Weight of Product  | 268 gr.        |
| LED Type                                 | SMD             | Light Color        | Топла светлина |
| On/Off Cycles                            | 100 000x        |                    |                |
