

### LED SMD Floodlight Black Body IP65 With Sensor

Power

10 W

Light color

Luce fredda

## Technical Specification

|                                          |              |
|------------------------------------------|--------------|
| Brand                                    | Optonica     |
| Correlated Color Temperature             | 6000K        |
| Dimmable                                 | No           |
| Energy Consumption                       | 10 kWh/1000h |
| Items per pack                           | 1            |
| Life span                                | 25 000 Hours |
| Lumen maintenance at end of service life | 70%          |
| On/Off Cycles                            | 25 000x      |
| Warranty                                 | 2 Years      |
| LED Type                                 | SMD          |
| Flux                                     | 900 lm       |
| Body Color                               | Black        |
| FLUX per watt                            | 90 lm/W      |
| Temperature                              | -20°C/ +40°C |
| Frequency                                | 50-60 Hz     |

|                   |                                                |
|-------------------|------------------------------------------------|
| Beam angle        | 90°                                            |
| Product Code      | FL10-B3                                        |
| Glass             | Black edge clear glass                         |
| Weight of Product | 0.230 kg                                       |
| Color Designation | White                                          |
| Input voltage     | 220-240V                                       |
| IP                | IP 65                                          |
| Material          | ALU + Glass                                    |
| Power             | 10 W                                           |
| Power LED         | 10 W                                           |
| Ra ≥              | 80 Ra                                          |
| Size of product   | 97x169x54 mm                                   |
| Cable             | 15cm, 3x0.75mm <sup>2</sup> black rubber cable |
| EAN Code          | 3800156657717                                  |
| Light Color       | Luce fredda                                    |
